11) The proposal is to have an Asstt Auditor on Rs 250 in stead of an Accountant on Rs 200. Both the Auditor and the Comptr strongly urge this arrangement and as the extra cost is only Rs 600 per annum their recommendation may be Sanctioned. The proposal is to make this arrangement only during the period the Probationer posted to the Ry Audit office is under training. How the case of Mr. Murgesa Mudaliar would be dealt with after the Probationer is fit to hold an independent Charge is not stated. If the fourth officer is not allowed there will be no room even for the trained Probationer unless one of the two places of Asstt Auditors becomes Vacant. In any case there will be no means of Confirming Mr. Murgesa Mudaliar as a Gazetted Officer after the Probationer's training is Completed.

Subject:—

Continuance of the services of Mr. Murugesa Mudaliar as Assistant Auditor in the Railway Audit Office and the appointment of Mr. G.N. Ranganathan as Assistant to the Agent (Accounts).

1(83) In Government Order, No.Fl.4788-90/G.F.2-19-26 dated the 11th February 1920, Mr. V.C. Murugesa Mudaliar was appointed ~~as~~ Temporary Assistant Auditor from the 26th December 1919. Flag A

2. Owing to the reversion of Mr. P.S. Naidu as Assistant Auditor to the Railway Audit Office from the 22nd May 1922, Mr. Murugesa Mudaliar had to revert to his former appointment as Superintendent. So the Auditor, Mysore Railways, represented that Mr. Murugesa Mudaliar having put in a long service of 20 years and also held a gazetted appointment uninterruptedly for over two years, he naturally felt his having to revert to subordinate service again. He further added that Mr. Murugesa Mudaliar had been helpful in the organization of the Railway Audit Office from its inception when the Bowringpet-Kolar Railway was opened in December 1913 and was the only officer then conversant with the audit of Railway Revenue accounts, and, strongly recommended that he might be kept on as Assistant Auditor, at all events till the Probationer is fully trained and has qualified himself by passing the Government of India Railway Examination to be in charge of a Section. The Comptroller also supported the proposal of the Auditor for the services of Mr. Murugesa Mudaliar as an Assistant Auditor from the 26th December 1919 being specially treated as counting for pension. B C

3. The Financial Secretary opined that as both the Comptroller and the Auditor had strongly urged this arrangement and as the extra cost involved was only Rs.600/- per annum their recommendation might be sanctioned.

4. The Railway Secretary, through whom the papers passed observed that

12

that the proposal to post an Accounts Officer as an Assistant in the Agent's Office had also to be considered.

5.6) When the papers came up to me I recorded as under:-

Page 2 of Office Notes "The additional cost involved is Rs.600/- per annum and presumably this amount can be found by reappropriation in the grants of this year. Since the Auditor and the Comptroller have made a concurrent recommendation and the Financial Secretary has not demurred, the recommendation may be accepted, I think. As soon as the Probationer becomes available after training, some one will have to revert unless meantime it is found that four Assistant Accounts Officers are required. If one of them is posted - as proposed - to the Agency as Assistant to the Agent (Accounts), then no difficulty will be felt. It is necessary that the Agent should have one such Assistant as early as possible."

37/6. The Dewan also agreed with me and ordered that the proposal required further discussion in Council.

Page 6 of 38/7. The matter was then considered in Council, who are of opinion that Mr. Murugesa Mudaliar may be kept on as a temporary Assistant Auditor till one of the Probationers completes his training and can take up the place.

39) 8. In connection with the Comptroller's report on the Railway Audit P Office, one of the items of the Council resolution which has already received the gracious approval of His Highness is as under:-

"The Agent should have two Assistants of whom one should be Accounts Officer and the other a Traffic, or, an Engineering Officer."

40) 9. When I discussed this subject with the Railway and the Financial Secretaries on the 16th instant, it was pointed out to me that Mr. G.N. 6 Ranganathan, who is now employed as a Superintendent in the Comptroller's Office, had once been recommended by the Comptroller as best qualified for the post of Accounts Assistant in the Agent's Office and it was therefore agreed that he was the most suitable official available for the employment as Assistant to the Agent (Accounts).

41) 10. I solicit His Highness' gracious approval to the recommendation of the Council referred to in para 7 <u>supra</u> as well as to the appointment of Mr. G.N. Ranganathan as Assistant to the Agent (Accounts).

FROM

Comptroller to the Government of
His Highness the Maharaja of Mysore.

To

The Financial Secretary to the Govt. of Mysore,
Bangalore.

Through
The Secretary to the Govt. of Mysore,
for Railways,

SIR,

I have the honor to forward herewith a copy of letter No.E.A.R. 16333 dated the 16th instant, received from the Auditor, Mysore -- Railways, which reiterates my request for sanctioning the appointment of a fourth gazetted officer in the Railway Audit Office, the need for which has been explained by me in my note on the Railway Audit Office Establishment forwarded with my letter No.44/Rys dated the 28th -- ultimo to the Railway Secretary. My first request for a fourth -- officer was made in my letter No.139/Rys dated the 9th August 1920, on which orders of Government are yet awaited. I do not however -- consider it expedient to reduce the number of appointments in the 1st grade of accountants on whom the efficienty of the subordinate staff depends. The question of reducing the staff in the Railway Audit Office is premature, the reorganisation of the office having been -- sanctioned very recently. I therefore request that you will be --

so good as to obtain the sanction of Government to the continuance of Mr. Murugesa Mudaliar as the fourth officer in the Railway Audit Office.

I have the honor to be,

Sir,

Your most obedient servant,

J. Satyanadhan

Comptroller.

Letter No. S.A.R.16333 dated 18th May 1922, from the Auditor, Mysore Railways, to the Comptroller to the Government of Mysore, Bangalore.

I have the honor to state that from a D.O. received from Mr. P.S.Naidu it is learnt that he is to revert to my office as Assistant Auditor. This will displace Mr. Murugesa Mudaliar who has been continuously acting for nearly three years in charge of a most responsible section of the office Viz., the Traffic Audit.

Apart from the disappointment that will be caused to Mr. Moodr who had every reasonable belief to expect confirmation I may say that the expansion of work in its multifarious nature and the -- systematization of it requires closer supervision by responsible Gazetted Officers as the staff is yet mainly untrained and the -- Superintendents with some exceptions still want some time to pick up the work.

The routine has increased considerably and after an experience of nearly 24 months during which I have closely associated myself with the work in every section and trying to overhaul, regularise and systematise the work I have come to the definite conclusion -- that a third officer is absolutely necessary to exercise better -- scrutiny and thereby show better results.

Mr. V.C. Murugesa Mudaliar has been doing his level best and is the most senior and has acted for a fairly long period and is best qualified to fill up the third place and I request you will kindly place the matter before Government and obtain orders to increase my scale of officers by one.

If necessary to reduce cost, one of the first grade Accountants place may be reduced and the extra cost for the next three years will only be Rs.1200 per annum.

If the sections get into working order by means of better scrutiny exercised, it may be possible to meet the extra cost by savings in the number of the staff.

26 JUL 1922

To

The Financial Secretary
to the Government of Mysore,
Bangalore.

SIR,

In continuation of my letter No. 71/Rys dated 22-5-1922, forwarded through the Railway Secretary, requesting sanction of Government for the appointment of Mr. Murugesa Mudaliar, Acting Assistant Auditor as a fourth gazetted officer in the Railway-Audit Office, owing to the reversion of Mr. Naidu, I have the - honor to forward herewith a copy of further recommendation - - received from the Auditor, Mysore Railways who proposes to retain Mr. Murugesa Mudaliar as an additional officer, in lieu of one of the appointments of accountants in the 1st grade (150-10-200) against which Mr. Murugesa Mudaliar is now drawing the maximum as a permanent Superintendent. I consider the proposal a good one - and as stated in my report on the inspection of the Railway Audit Office, there is need for a fourth officer which the Government intend to meet by appointing a probationer. As however it will

be some time before the Probationer completes his training and passes the prescribed examinations and ~~on~~ in the present condition of the office as detailed in my inspection report, the utilisation of the services of Mr. Murugesa Mudaliar who is an expereineed officer will be of immense help to the -- Auditor and I recommend that he may be appointed as third - assistant in the Railway Audit Office until such time as the probationer whom the Government intend to post becomes qualified for taking charge of Sections of the office. The continuance of Mr. Murugesa Mudaliar as a gazetted officer especially when he is nearing the end of his service will be a fit recompense for the long and useful service of over 20 years rendered by him and in view of this and of the Auditor's recommendation entailing an additional cost of only Rs.50 per mensem, I request -- Government may be pleased to sanction the same and permit - - Mr. Murugesa Mudaliar's services as an Assistant Auditor from the 26th December 1919, being specially treated as counting for pension.

I have the honor to be,
Sir,
Your most obedient servant,

J. Satyanadhan

Comptroller.

Letter No. E.A. 885 dated 20th July, 1922, from the Auditor, Mysore Railways, to the Comptroller to the Government of Mysore, Bangalore.

I have the honor to state that the question of a third additional officer for the Railway Audit Office has been pending disposal for a long period. Mr. Murugesa Mudaliar was acting as Assistant Auditor for a period of two years and 5 months from 26th December 1919 to 22nd May 1922 when his appointment had to cease owing to the reversion of Mr. P.S. Naidu to the Railway Audit Office. Mr. Mudaliar has put in a long service of 20 years and having held a Gazetted appointment uninterruptedly for over two years, he naturally feels for his having to revert to subordinate service again. As Offg. Assistant Auditor he held charge of the Traffic Audit Section, which in a Railway Audit Office is, I may say, the biggest to manage as that section has to deal with Dopartmental Officers entrusted with the collection of revenue of over 30 lakhs, Mr. Murugesa Mudaliar has been helpful in the organization of the Railway Audit Office from its inception when Bowringpet Kolar Railway was opened in December 1913 and was the only officer then -- conversant with the audit of Railway Revenue accounts. I would therefore strongly recommend that Mr. Murugesa Mudaliar may be kept on as Assistant Auditor at all events till the -- Probationer is fully trained and qualifies himself by passing the Government of India Railway Examination to be in charge of a Section.

I therefore request that sanction of Government may be kindly obtained for Mr. Murugesa Mudaliar being permitted to

continue as Assistant Auditor till the Probationer to be posted is fully trained and for the period for which he was temporary Assistant Auditor from the 26th December,1919 being specially treated as counting for pension.

In this connection, I may invite your attention to my letter No.R 16353 dated 18-5-1922, in which I proposed to surrender one of the senior Accountants on Rs.200 in lieu of this extra appointment so that the net extra cost to Government is only Rs.50/- per mensem or Rs.600 per year.
